Green meadows, steep cliffs, centuries old forests, 4 seasons, lots of off-the-beaten path destinations and activities, bagpipes, a land full of history, culture, legends and landscapes of impressive contrasts. That's Bulgaria!

Bulgaria does not hide but rather shows the world some of the most beautiful and overwhelming views, that was voted by Lonely Planet a must-see destination. Bulgaria is a 4-season destination and we could help you discover the Balkan jewel. There is a saying – When God was creating the world he gave all countries something specific and last was Bulgaria. He was thinking and decided to give a piece of everything to it.

Partner with us to uncover destination Bulgaria and offer unique products, have repeat and happy customers! The customer is truly number 1 for us. We value our partners and do everything possible to be happy and using our services. We are very flexible and hard working to take the best solutions for customers, partners and the people involved. Maximum content and options to satisfy all needs.

We are multilingual and the many languages we speak and work with are: English, Italian, German, French, Russian and Chinese.
