# HELLO

**H**ello, my name is Hamka. I have over 5 years of professional experience as videographer and photographer for various advertising companies and clients from all around Asia and Europe. My goal is to communicate your service, start-up or product in the simplest, most beautiful and effective manner. I am experienced in conceptualizing, taking breath-taking photos, videos and design a beautiful catchy design. I use Premier Pro, Final Cut, Adobe Photoshop, Adobe Lightroom, Corel Draw. With my knowledge and experience, I am ready to deliver you top-quality images, design, and videos.

# CINEMATIC APPROACH

MOODBOARD: STYLE/LIGHTING/COLOUR

On every video project, I will take viewers on a emotional, creative and inspirational journey. I will always look for the unique beauty of the objects, original angles, places never seen before and people with an interesting look and feel. The film will be visually rich and colorful, a reflection of the incredible resolution. These are stills of a personal film project I shot in England and Indonesia.
