History

Vision, Mission and  
Core Value

Tours

# HISTORY

- Iran Adventure Team was established in 2010 in Iran.
- Iran Adventure Team started its work by identifying and exploring pristine places and discovering the unknown, and then started holding Eco tours in order to develop their activities.
- After a while and gaining valuable experiences, relying on the creativity and policies of experience-oriented travels, we managed to hold adventurous and exciting tours for the first time in Iran, and by implementing different and special programs, we succeeded in reach a good market share.

# HISTORY

- In the way of progress and acquisition of various knowledge, skills and expertise we have always tried to keep the team up to date in terms of standards, safety and program security in order to increase the quality and achieve maximum customer satisfaction.
- After the development phase in all pillars of business and by expanding of human resources as the fundamental base and designing various departments, we took a new step by creating value added in order to improve quality.
- In 2013, relying on creativity, we succeeded to introduce a new style of traveling and as the first and only organizer of thematic tours in Iran, we established a great development of services.

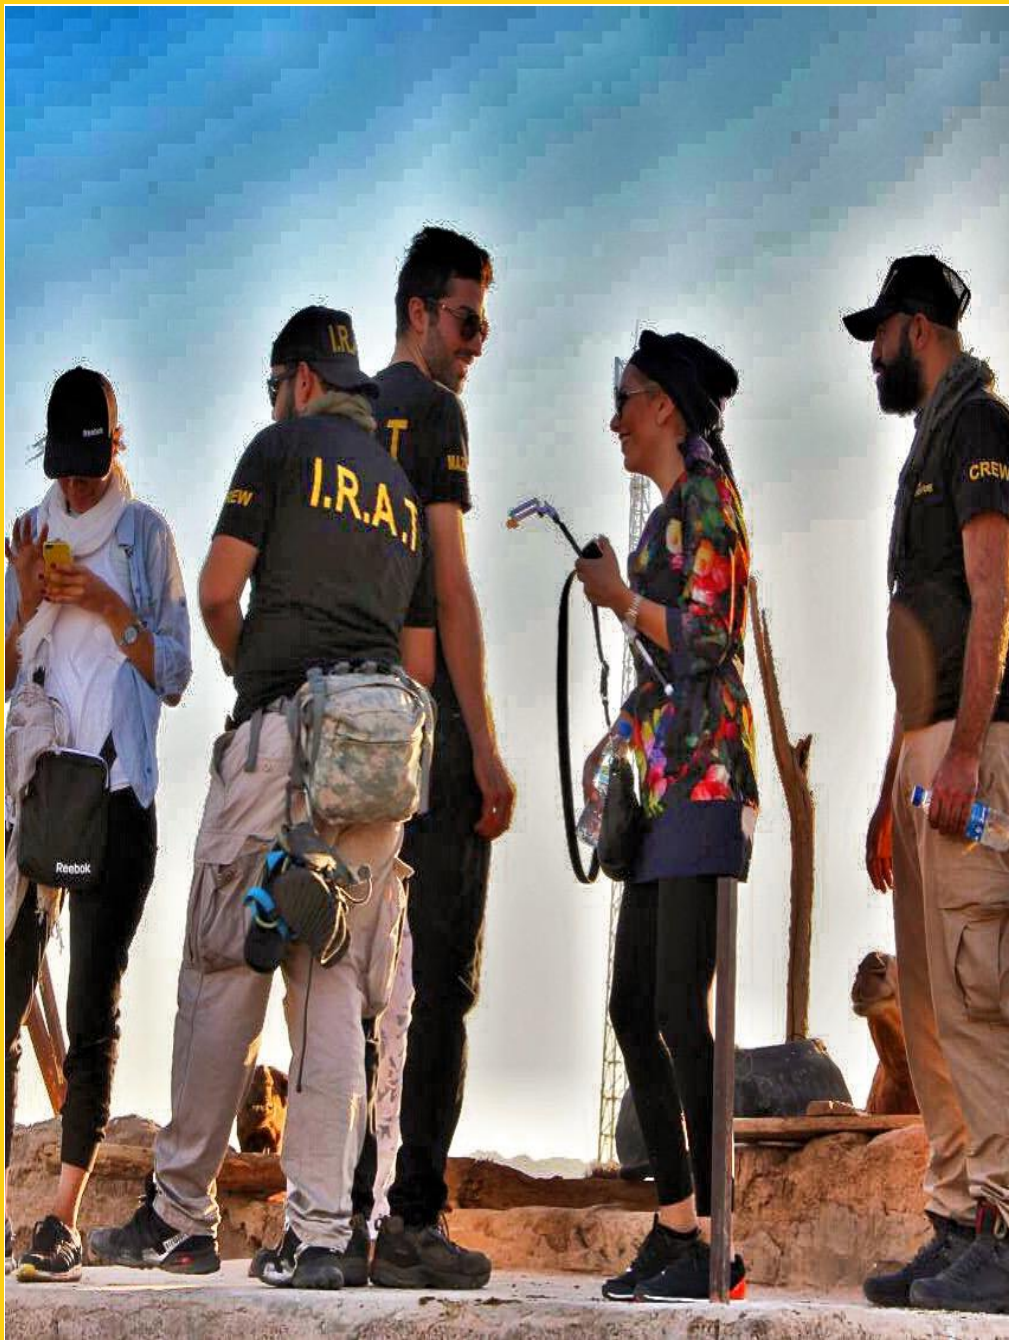

# IRAN ADVENTURE TEAM'S VISION

- Iran Adventure Team consider:

Relying on effort, perseverance and creativity to create value added and benefit from existing potentials, we can take a positive step towards our country's tourism industry development.
